

HOW TO FIND US

Kelvin House Dental Practice is located at 2 Nelson Road, which is the road just opposite the Library in Oxford Street.

By Car from Canterbury (via Blean):

Go over the new Thanet Way and straight over the Long Reach roundabout, signposted to Whitstable. Descend Borstal Hill and carry on into the centre of town, traveling underneath the railway bridge. Just after the pedestrian crossing (outside the Library), turn left into Nelson Road. You will see the practice immediately on your left hand side.

By Bus/Train

We are just a 50 meters from the main bus stop in Oxford Street and we are a 10 minute walk from Whitstable Station.

Nearest Car Parks

We have parking for 5 cars in front of the practice. There is street parking in Nelson Road and West Cliff. The nearest Short Stay car park is in Shaftsbury Road which is one minute's walk from the practice. There are five other Short Stay car parks nearby (Middle Wall, Gladstone Road, Keam's Yard and Victoria Street).

Please allow plenty of parking time before your appointment. We also have three bike racks for those people who would prefer to cycle to the practice.
