Howard Paterson retires after 30 years at Kelvin House

On behalf of all the practice staff, I would like to take this opportunity in thanking Howard for all his hard work at the practice over the last 30 years. He made a huge contribution to the oral health of his patients and to the smooth and efficient running of the practice; he will be sorely missed. We all wish him well in his retirement.

*“There's
never enough
time to
do all the
nothing you
want”*

We are very fortunate to have found an excellent replacement in Parminder Bhogal (known as 'Parm').

Parm was educated at Dartford Grammar School and did his dental training at King's College, London where he qualified in 1995 and still does a spot of teaching

Up until now, Parm has been working in a predominantly private practice in London and has recently decided to move with his wife and two young children back to North Kent.

We all very excited about his contribution to the practice and wish him a warm welcome.

Thank you to all our patients who sponsored our team of 6 cyclists in the Great Kent Bike Ride.

We have raised over £530 for the East Kent Hospitals Charity.
